DO YOUR MOB 2020 – Digital Edition – The WEBConference

The Virtual Mobility: sustainable models for the VET system

La Mobilità Virtuale: modelli sostenibili per la formazione professionale.

Italy

Town: **digital edition**

From 25th November 2020 14,30 CET

Until 25th November 2020 17,00 CET

Description of the event/activity (in English):

The webconference DO Your MOB was realised within the Italian national Fair JOB&Orienta Verona.

The event had the aim to discuss European politics for mobility in the framework of the new Erasmus Plus program 2021 – 2027 and present the results of the workshop DAY – 1st session of DYM 2020.

Besides 2 case studies of virtual mobility were presented. A case from the project SAAM (Support Alliance for African Mobility) in the context of VET PILOT SCHEME for Mobility initiative (virtual mobility of trainers); a second case from HETEL, a basque network of VET Colleges with experience on virtual mobility models for learners.

Concerning the results of the workshops the event underlined:

- *the necessity to work on virtual and professionalising models of mobility in the context of internationalisation at home;*
- *the necessity to work on procedures for recognition of virtual mobilities within the KA1 Erasmus projects as well as in the context of formal VET pathway;*
- *the necessity to integrate and invest resources on “facilitation” competences in the perspective of the professional and methodological development of teachers and educators.*

Description of the event/activity (in your official national language/s):

La webconference DO Your MOB è stata realizzata nell'ambito della fiera nazionale italiana JOB&Orienta Verona.

L'evento aveva l'obiettivo di discutere le politiche europee per la mobilità nell'ambito del nuovo programma Erasmus Plus 2021 - 2027 e di presentare i risultati del workshop DAY - 1a sessione di DYM 2020.

Inoltre sono stati presentati 2 casi di studio di mobilità virtuale. Il caso del progetto SAAM (Support Alliance for African Mobility) nell'ambito dell'iniziativa VET PILOT SCHEME for Mobility (mobilità virtuale dei formatori); un secondo caso di HETEL, una rete basca di centri con esperienza sui modelli di mobilità virtuale degli allievi.

Per quanto riguarda i risultati dei workshop l'evento ha sottolineato:

- la necessità di lavorare su modelli di mobilità virtuale e professionalizzante nel contesto dell'internazionalizzazione a casa;

Town: **digital edition**

From 20th November 2020 10,00 CET

Until 20th November 2020 13,00 CET

Description of the event/activity (in English):

The Workshops DAY is a part of the Do YOUR MOB event organised every year by Scuola Centrale Formazione since 9 years.

For this 9th edition SCF has promoted 3 workshops on the topic of virtual mobility:

Workshop 1: How to design a Virtual Exchange

Workshop 2: The role of the Facilitator in Virtual Exchanges

Workshop 3: The recognition of learning outcomes in VE: how to design an open badge.

Every workshop/group has worked together on a specific topic and practically exchanges ideas, suggestions, and contributions to the starting model proposed.

Specific Items were proposed to reflect together and exchange opinions.

For the realisation of these workshops SCF has used the technology Mentimeter and the Platform Gsuite.

Description of the event/activity (in your official national language/s):

La GIORNATA dei Workshop fa parte dell'evento Do YOUR MOB organizzato ogni anno da Scuola Centrale Formazione e giunto alla 9^a edizione.

Per questa 9^o edizione SCF ha promosso 3 workshop sul tema della mobilità virtuale:

Workshop 1: Come progettare uno scambio virtuale

Workshop 2: Il ruolo del facilitatore negli scambi virtuali

Workshop 3: Il riconoscimento dei risultati dell'apprendimento in VE: come progettare un badge aperto.

Ogni workshop/gruppo ha lavorato insieme su un tema specifico e scambiato idee, suggerimenti e contributi al modello di partenza proposto.

Sono stati proposti elementi specifici per riflettere insieme e scambiare opinioni.

Per la realizzazione di questi workshop SCF ha utilizzato la tecnologia Mentimeter e la piattaforma Gsuite.
